We Celebrate Month of the Military Child!

Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at home and overseas. Since 9/11, over

2 million children have had a parent deployed overseas, and come have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Sincerely,

John Ehle
President

Month of the Military Child

This month we celebrate our military children. We truly appreciate all they go through in order for their parents to keep our Country safe. In honor of them, Crane Family Housing will be passing out kites this month to show our appreciation. We hope they will enjoy flying them this Spring!
