CRANE INSIGHTS  
**NEWS & STORIES**

**Happy Father's Day!**

**Our President's Message**

This month, we will officially welcome summer, celebrate graduations, and honor fathers on Father's Day. It is also a time to prepare for PCS season and the moves many will be facing. We know all too well the stress and anxiety that come with moving. One of our

goals is to help families feel a sense of community and to understand their new community, the place they will call home. Hunt Military Communities offers a host of information aimed at making the transition seamless, as well as programs addressing deployment, family crisis, and special services. The Hunt Heart Program is designed to help our families when they need it most. If you are not familiar with this program, I invite you to visit your community website or [huntmilitarycommunities.com](http://huntmilitarycommunities.com) to learn about these special services. Additionally, each community has a Resource Guide listed under Resident Services that will help to acclimate our families to some of the many services your specific community offers. Thank you for choosing to make your home at a Hunt Military Community, and I wish you a safe and healthy start to summer and PSC season.

Sincerely,

John Ehle  
President  
Hunt Military Communities

**Yard of the Month**

Yard of the Month provides recognition to the residents of Crane Family Housing, for their efforts in enhancing their yards.

Our goal is to provide the most attractive family housing environment possible for military personnel. Many residents go beyond their required normal cleaning and grounds maintenance and actually improve their yards. They should be recognized for their extra efforts. This program provides an excellent vehicle for this recognition.

Yard of the Month will take place annually from May/June through July. Additionally, each October for Fall/Halloween, and each December, the best holiday decorated quarters will be judged and selected for recognition. Voting will take place on our Facebook page. We look forward to seeing your gorgeous yards!
