COMMUNITY UPDATES

We will have a few homes available for rent in the next few months on base. If you know of anyone that may need a 4 bedroom home or a 2 bedroom home now is the time for those interested to be added to our waitlist.

Have the interested military member or contractor go to cranefamilyhousing.com and tap the new resident tab. Go to the application menu item and have them input their information. This will start them on the path to being your next neighbor.

They can also call me, Samantha, (812) 369-1009 and I can walk them through the process and answer any questions they may have.

UPCOMING COMMUNITY EVENTS

MWR CHRISTMAS AT CRANE

Date: December 19th

Time: 4pm - 8pm

Location: Crane Conference Center/Club House

Everyone on base is invited to participate in the MWR Christmas at Crane Event. Tickets are available at MWR by calling (812) 854-6255.

There will be bounce houses, food, Christmas crafts, Santa and something for the whole family.

MAINTENANCE TIPS

Due to NAVFAC's water main and line replacement, you may notice sediment or reduced water pressure. Flush sinks/tubs to restore pressure. For clogs or filter changes, contact maintenance to submit a work order. You can also contact us to request a filter change for your water filtration system.

If you have already contacted our local Management and Housing office team and are not satisfied with the outcome, or if you have words of praise to share, we encourage you to reach out to our senior management.
