COMMUNITY UPDATES

Happy February Team Crane!

NAVFAC is still working on the Water Line Replacement project. No update to a completion date.

Please do not turn your heat off at any time. If your furnace experiences any interruptions, please give us a call immediately.

Please note that I send out lease renewal notices at 90 days, 60 days, and 30 days by mail and email. These are policy requirements. If you know you are renewing your lease, let me know and I will prepare your renewal, and you can sign them early to avoid any issues with your lease and get ahead of the game.

All Civilians living in Crane Family Housing will begin paying utilities with renewals this year. This is a DOD mandate. You will pay for what you actually use, and the bills are payable on our portal where you pay your rent.
