

# COMMUNITY DIRECTOR UPDATE SEPTEMBER 1, 2025

## **COMMUNITY REMINDERS**

### **Inclement Weather Guidance**

With the recent inclement weather in our area, we want to remind everyone to stay vigilant. When lightning or severe weather approaches Crane, the Giant Voice alarm system will provide announcements with instructions on how to proceed. Please prioritize your safety and seek shelter indoors during these times.

### **Weed Maintenance Reminder**

To keep our neighborhood looking its best, all tenants are responsible for removing weeds from their flowerbeds. If excessive weed growth is not addressed, you will receive a notice from the office. Should we need to arrange for removal, the lawn care company's charges will be added to your lease. Let's work together to maintain a beautiful community!

### **Lease Renewals**

Please note if you are renewing your lease, you are also required to provide an updated renter's insurance policy for the new term. If you have any questions, please contact Samantha at the office at (812) 369-1009.

## **LIGHTNING SAFETY NOTICE**

### **Stay Safe During Thunderstorms & Lightning**

Your safety is our priority! Here are some essential tips to keep you and your family safe:

#### **Before a Thunderstorm:**

- Build an emergency kit and create a family communication plan.
- Secure outdoor items that might blow away.
- Postpone outdoor activities and head indoors to a sturdy building or hard-top vehicle.
- Unplug electronic devices to protect them from power surges.

#### **During the Storm:**

- Stay indoors! Avoid windows, doors, and exterior walls.
- Don't shower, wash hands, or do laundry—lightning can travel through a building's plumbing.
- Unplug devices and avoid corded phones. Use surge protectors.
- Bring pets indoors and supervise them closely.

**If someone is struck by lightning, call 911 immediately. Be aware of continued lightning danger to both the victim and the rescuer.**
