

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2025

COMMUNITY REMINDERS

As fall settles in and the leaves begin to drop, here are a few important updates and reminders to keep our community looking its best and running smoothly:

- **Gutter Cleaning:** After the leaves fall, we'll schedule a community gutter cleaning.
- **Landscaping:** There will be one final bush trimming in the community, and grass mowing will continue through October. The mowing vendor will also handle leaf removal during this time.
- **Flower Beds:** It is your responsibility to maintain your flower beds and remove any weeds.
- **Garden Hoses:** Please unhook your garden hoses to prevent your pipes from freezing.
 - We will send out a notice with the deadline for this task.
 - We understand that winter can be challenging, and we want to remind you that if your pipes freeze due to not removing a hose, you will be held responsible for the repair costs. Taking this small step can help prevent significant issues and ensure your home stays safe and warm. Thank you for your understanding!
