

COMMUNITY DIRECTOR UPDATE NOVEMBER 1, 2025

COMMUNITY REMINDERS

Winter Prep Reminder: As cold weather approaches, please disconnect your garden hoses and shut off water to outdoor spigots from the basement. Frozen pipes can cause damage, and per our Community Guidelines, residents may be held responsible. If you need help turning off the water, please let us know. We are happy to assist!

Avoid Costly Repairs: Leaving hoses attached can lead to pipe damage. Spigot replacements typically cost around \$150, so please take action now to avoid unnecessary charges.

Holiday Travel: If you'll be away for more than a few days, notify us so we can keep an eye on your home. We also recommend shutting off your water to prevent leaks or damage while you're gone. Assistance is available if needed.

Fireplace Use: Your fireplace is functional but not a primary heat source. It uses natural gas, which will reflect on your utility bill. Always turn it off when leaving the room or your home. If you have trouble lighting it, we can submit a work order for repair.

UPCOMING COMMUNITY EVENTS

THANKS FOR BREAKFAST FOR DINNER

Date: Friday, November 14th

Time: 4:30 PM – 6:00 PM

Location: Community Building 1920, by the water tower

Start your evening with a warm, hearty breakfast served with neighborly smiles and community spirit!

Join with your neighbors for breakfast for dinner provided by the staff of Crane Family Housing. We will serve eggs, biscuits and gravy and pancakes for everyone to enjoy. Bring your whole family for a full belly.
