

COMMUNITY DIRECTOR UPDATE

MARCH 1, 2026

COMMUNITY NEWS

March is the beginning of Spring in the Crane Family Housing Community. We want to let you know we appreciate you and to encourage you to take the Tenant Satisfaction Survey. If you need a link to the survey, please reach out and we can have the organizers email that to you. We don't just want to provide a place to live, we want to provide a place you love to call home. By completing our survey, you give us direct insights on how to prioritize upgrades, refine our service, and improve your quality of life. We'd love your help in guiding us toward what matters most. Your feedback on items like maintenance areas and amenities ensures that our future goals align with your needs. Honest feedback is the only way to help us make Crane Family Housing a great place to live. Our goal is to have a response from every home so no one's voice goes unheard! We use every response to help make our community a better, happier place for everyone.

Watch for the events we have scheduled to bring people together and show our appreciation!

MAINTENANCE TIPS

Spring weather also brings spring cleaning. Now is the time as the snow melts away to remove any weeds and debris from your flower beds. You can bag it up and drop it in the dumpsters West of the office and close to the storage buildings. Please only use the blue top dumpster for recycling.
