

# COMMUNITY DIRECTOR UPDATE

## MAY 1, 2025

### **COMMUNITY REMINDERS**

The pool will soon be opening, and we are looking forward to activities there. We will alert you by email when the official opening day is!

**Just a reminder:** if you are interested in fishing on base, you must obtain a state fishing license and an MWR fishing permit.

**The Navy Housing Conditions Assessment** for Crane Family Housing will take place on Wednesday, May 20th, this year. This is very important to the success of our community. To help us maintain a well-kept community and continue earning high inspection ratings, please remember the following guidelines:

- Personal items should **not be stored in yards** and must be placed inside garages.
- Small wading pools are permitted; however, they must be emptied daily and may not contain standing water.
- These guidelines come directly from the Community Handbook, which outlines the rules the Navy expects us to enforce and will be used during inspections.
- A copy of the Community Handbook is available on our website.

Thank you for helping us maintain our community standards and continue achieving high ratings!
